Error correction

Honorable Commissioner of Patents and Trademarks

Washington, D.C. 20231

Sir:

The undersigned, acting as an agent for applicant, discovered that due to an inadvertent mistake, the application transmittal sheet was filed without a customer number identification. The undersigned expresses his regrets for this error, and attaches an identifying label herewith. Please associate the application with the address and other details associated with this customer number, and enter the application into the PAIR tracking system under this customer number.

If there is a fee associated with this submission, please charge my Deposit Account No. 501392.

Respectfully submitted

Shalom Wertsberger
